BENEFITS SAFETY FILM FOR SCHOOLS

The reasons why you need safety and security window film to protect your school

Protection

Helps to minimize glass-related injuries and property damage

Anti-intrusion

Delays unwelcome intruders, buying critical time for help to arrive

Invisible barrier

Preserves natural light by allowing up to 89% of the visible light through the windows

Cooling Costs

Improves climate control efficiency, reduces energy demands and utility costs

The Solar Gard Armorcoat® Offer

How can Armorcoat® safety film help secure schools?

Solar Gard Armorcoat® Safety & Security Window Film adds a critical layer of facility protection by delaying attempted intrusion and helping to hold shattered glass together in case of impact.

Delay unwanted entrance and intrusion and keep safe from flying glass shards in the event of glass breakage
